

Robert J. Schindler

December 5, 1968 - April 11, 2025

Robert "Bubba" Joseph Schindler, devoted husband to Jennifer, loving son, brother, uncle, cousin and friend passed away on April 11, 2025.

Robert worked for Macomb County for almost 25 years.

He loved planning get togethers of all kinds, bird watching, helping with favorite local animal rescues, U of M football, exploring Detroit, trail rides all over Michigan, going to flea markets, walking the Mackinaw bridge, finding new restaurants to try, repurposing and making old things new, spreading humor, and taking beautiful pictures. He was a proud member of the "jackwagon crew" along with dear cousins Richard, Christopher and Devin Ellsworth, and friend Robert Gorniak. He was part of the big brother program and paired with Zachary Brabant who truly became his little brother and part of the family.

He had a passion for animals and all he encountered were better for it. Robert leaves behind his very loved animals Roman, Bristol, Kit Kat, Ruby, and Opal. Robert is survived by his wife, Jennifer, mother, Janet Luzier, mother-in-law, Holly, brother, Mike (Deb) Schindler, sister Sarah (Scott) LaMontagne, aunt, Charlotte Schutt, many cousins, along with his 3 nieces that he loved beyond measure Aubrey, Elsie, and Hannah. Robert was preceded in death by his father Robert Paul Schindler and aunt Sharon Schindler.

“ They say you can tell a lot about a person by how they treat their animals. Rob loved his animals and being a pawrent to his fur babies which can't be doubted. He had a lot of love to give, and will be missed.

“ Great guy! So friendly and always had great advice or a story to tell. I will miss sharing "what's being built in the area" and our friendly chats. He could make a friend anywhere...you will be truly missed!

“ I first met Rob when he worked at MTB. I followed him as he worked as a custodian in F&O and eventually to Purchasing. He was always kind, friendly, welcoming and, most of all, a great person to be around. His love of people that extended to the forgotten animals of the world is admirable. He will be missed by so many.

“ *I was blessed enough to meet Rob back in 1990 when we opened the Meijer at Hall/Hayes and we became fast friends. Trips to Cedar Point and other adventures. I had a 1976 Ford Granada and Rob bought it for a couple hundred bucks and drove it for years after, we used to laugh at how long Blue Bell lasted.*

The world lost one of the most caring, loving and giving persons. Fly High my friend 🕊️ thanks for all the great memories...
