“ I first met Bob in 2008 when I joined the OSCS Bullseye team. We quickly became friends and started fishing and hunting together. Bob introduced me to shotgun sports and I have been hooked ever since.

I am very grateful to have had the opportunity to spend time getting to know Bob. I am going to miss spending time wandering around the Atlanta area and I am going to miss spending Sundays shooting with him at the club.

Somehow I know, he is out there now reeling in the largest pike or small mouth we have ever seen.

“ I met Bob 5years ago when I moved to Atlanta Mi. We shared the same fishing interests. He'd been going up there since the 60's and knew all the fishing spots. Fishing with Bob was the icing on the cake for me living up north. We'd give each other the business on who was the better fisherman. Bob was the better fisherman, but I caught more fish. He shared his knowledge of the area and would take me out on his side by side to his hunting spots and point out the eagle's nest with its hatchlings. He introduced me to his friend Dan from the Oakland County Sportsman Club. They took me on a target shoot to the Lewiston sportsman Club. It wasn't Bobs day. Bob was lots of fun to be with, and I'll miss his friendship the most. Just one more time at Tomahawk Floodings would have been great. Rest in Peace my friend, Tim
