

## Robert J. Townley

May 21, 1945 - February 1, 2025

Robert John “Bob” Townley, age 79, passed away February 1, 2025, at his home in Port Sanilac, Michigan, with close family at his side.

Bob was born in Port Huron, Michigan, grew up in Ferndale, Michigan, graduated from Ferndale High School and continued on to trade school. Bob retired after 30 years from Sheet Metal Local Union 80. His craftsmanship is still on display in many buildings throughout Michigan, including the Trenton City Hall and Temple Beth El in Bloomfield Hills.

Bob loved being retired in Port Sanilac often referring to it as “Gods Country” enjoying the wildlife in his beautiful backyard. He had a sharp, dry sense of humor. He loved playing pranks on his family and getting into trouble every now and then. Bob was one of a kind to those who knew him and will be greatly missed by all who loved him.

Bob is survived by his wife, Janet, his daughters, Lesley and Jennifer, his (late) son Matthew his brother, Richard, (late) sister, Pat and grandchildren, Sicily, Max and Wilson. He is also survived by loving nieces and his extended family.

A celebration of his life will be held in the spring with location to be determined.

Bob also served for 6 years in the United States Army Reserves. In lieu of flowers, the family kindly requests donations be made to his charity of 20 years - Wounded Warrior Project at [www.woundedwarriorproject.org](http://www.woundedwarriorproject.org)

Arrangements in care of Jowett Funeral Home - Port Huron.
