Enjoyed a wonderful afternoon visiting with Roberta in the summer of 2016. She was, as usual, funny and quick-witted and we had a wonderful time remembering growing up on North Wind Drive.

Claudia, I can tell by my sister's smile that your visit meant so much to her! Thank you for taking the time to 'catch up' with an OG from the neighborhood. <3

“ As a longtime hairdresser and friend of Roberta's we shared many a laugh and great conversation. One time she asked me for a spiral perm on her long hair. It was a process that took 3 hours. It was an amazing opportunity to really get to know her. I discovered how much she really loved her family and how she remembered every movie title and the actors who starred in them. In classic Roberta style she requested the unpredictable at her next appointment. She wanted her hair cut short, which would mean cutting off her perm. The perm I spent 3 HOURS doing. I tried to talk her out of it and went back and forth, but in the end she won. Sometimes I felt like I had a sibling relationship with her. Lol
Although Roberta had not been herself in recent years, I pray that all of you would remember the funny and lovable woman that she was.
May God be with you and comfort you with His peace as you mourn her passing. Stay close to Him. He promises to never leave us or forsake us.
RIP my sweet friend.

Dear Rosa, These words are lovingly stated and I thank you for them! I recall you telling me about this particular perm appt. followed by a cut...not funny for you then, but because you still do tell it, Roberta made an indelible impression! <3
