“ *the best feeling in the world was going to grandma's for coffee and chats whenever i was feeling overwhelmed. i can still hear her words in my head, reminding me that i am gonna be okay. she taught me a lot of lessons and i'm so happy that i got to be close to her throughout my life (especially my teen years).* ”

“ *i remember going to visit aunt robbie and eating those windmill cookies while talking about things i wanted to do or who i wanted to be when i grew up. i never would've thought i'd be looking back on those memories now and realize how much they actually mean to me.* ”
