“ Robin- I still can't believe you are gone! We had so many "good times" together! Living together with the kids, Birch Run trips, Girl's Weekend..and many more. You were always so optimistic about everything and always so cheerful. You were just like a sister to me and you were a wonderful Godmother to Angela. You helped me through a lot in my life and I'm going to miss you so much "Wilma" :) You watch over us and we will take care of your family. LOVE YOU!!
