“ Roger you left me beautiful memories your love for me is still my guide and even though I can't see you I still feel you at my side, I am thankful that God brought us together we've done a lot of things that we will never regret the good ones or the bad ones, moments we will never regret, it's hard for me to cheer up because I'm feeling blue by accepting the fact that life is never going to be the same without you, I take comfort in knowing you are no longer in pain, you meant so much to me your smile alone would warm my heart, your laugh was like music to hear,, not a second passes when you're not on my mind, I will hold you tightly within my heart and there you will remain, until the joyous day arrives that we will meet again...I love you, and I miss you so much,Sheila💕
