“ *Roger has been a Dear Friend for many, many years. We'll miss
him so much. He was always so helpful. If you needed anything at
all, Roger was there to help. He helped build our house in 1968. He
had a great work ethic. And always so much fun! He worked hard
but always found time to have fun. We won't see him physically any
longer, but he'll always be in our best memories. One day we'll meet
again and it will be fun all over again.*
