“ There are no words that can ease the pain of loss, only memories and those are what will keep Ronny alive for his loved ones. He was the kind of man every mother hopes their son becomes: Honest, Loving, Genuine and the perfect example of a "real" man and Father for his two sons. I will remember him every year at the Hawley-Teeter Family Reunion as I am sure the entire family will. Gone but NEVER forgotten! R.I.P. Love to all the family and remember we are here for you! Love, Twisted Sister

Martha,
I remember your dad Ron Sr., and your mom Coral bringing your brother & you to visit us at Aunt Eleanore's (my mom) in Warren when you were babies, my mom was Uncle Cliff's (your grandpa) niece, you were such a pretty baby, your father was so proud of both you kids. After they split we never saw you again, but be proud you are named after your grandma Aunt Martha, she was a loving, kind and wonderful woman, taken from us all too soon. Please know our family has never forgotten you guys and we are a big family and always ask if anyone has heard from anyone. Last I knew your dad was living in Houghton Lake area, some family would see him once in a while when they went north deer hunting in the fall, but it's been a long time since then. Ronny sounds like was a loving man and I am sorry for your family's loss. Please remember you are in my thoughts and prayers at this trying time, you can contact me @ 810-706-0623. Your cousin, Robin Little (Richard was maiden name).

“ *Way too memories. My second father. Higgins lake. Pere Cheney. Long talks on the couch. Teaching me about cars. Teaching me that a girl can be a man. His unconditional love to every family member. His giant family was so accepting. Taught me that it was "a simple fix" no matter what the issue was. I love you Ronny. You are my second dad forever. And I'll see you some dad at Higgins. Relaxing. I love you so much. So so much.*
