“ *Mr Burton, you can now let my dad know, I was the trouble maker, not Debbie. What a funny, hardworking, classy guy you were. Endless funny stories will be remembered forever... from running over the neighbor kids bike to super gluing Debbie's glasses because you were so tired of her breaking them. Arizona trip memories, chatting with you time to time, Shana memories and the list goes on. I will never forget you. ❤️ rest easy and tell David, my brother and my mom hello. Till we all meet again. 🙏*

“ *It's been such a long time... when dad was stationed in Mississippi, I remember us coming up to Michigan during Christmas, it was always a fun time !!! And the best was when uncle Ronnie and aunt Shirley and family came to Mississippi, there was an SR-71 black bird that landed and we loaded up in our old van and went out to see it! Very kool!! Then nuclear Ronnie stuck his camera out the windows! Then we all got talked to by the MP's!! Good times!!! Our condolences to aunt Shirley, Mike, Sanndra, Debbie, and Dave(rip) they are both together now!! Miss and love you all!! Take care.*

“ My deepest condolences to Ron’s family in his passing. I remember Ron for many years working with him at the Fisher Body engineering facility, and on trips to plants and to the GM Phoenix proving grounds for car show vehicle development. Also many wonderful rallies with our Fisher coaches traveling group, memories my wife Joyce and I had with Ron & Shirley for good fun times together that I will cherish. Ron had a superb outgoing, humorous way with all of us. In recent years when he could no longer physically participate I used to call him regularly on the phone to discuss what’s going on with our group that he no longer could attend , I will miss our regular phone conversations. May God bless and keep Ron in Jesus arms. 🙏

“ From my last conversation with my Uncle Ronnie and Aunt Shirley, may my memory server me. He had many accomplishments, such as serving during the Korean War, 27 years with GM Canada/Cadillac, and an engineer solver, resolving problems industry wide. A Great Golfer, challenging always! He missed the times on the water in their Beautiful yacht! Very Sharp mentally, current, and with passed history of family times. Interesting communicator, we're grateful for Aunt Shirley and Uncle Ronnie's hospitality during our visit last year.

*Our most heartfelt condolences to the family of Ronald J. Burton, especially his wife, my Godmother. He will be dearly missed. A person, kind, simple, and found good in people. Always giving and helping others through good times and bad.*

*Let us pray: Saints of God, come to Ronald J. Burton aid! Come to meet him, angels of the Lord! Receive his soul and present him to God the Most High. May Christ, Who called you, take you to Himself; may angels lead you to Abraham's side. Receive his soul and present him to God the Most High. Give him eternal rest, O Lord, and may Your light shine upon him forever. Let us pray: We commend our brother Ronald J. Burton to you, Lord. Now that he has passed from this life, may he live on in Your presence. In Your mercy and love, forgive whatever sins he may have committed through human weakness. He has moved on and will rejoice and live in eternal life in the Kingdom of Heaven. We ask this through Christ our Lord. Amen.*

*Sincerely,
