“ I look at his picture, and can't believe he's gone. He has been my nephews, best friend for year's. But I truly only got to know him, over the past few year's. He was sweet, kind, respectful . And hilarious! I heard he didn't have it easy. But the evidence of a strong heart, was always present. He never allowed that, to cast a shadow. Conversations of family, he was proud of his son. For the few years knowing each other. Our Conversations had meaning and alot of laughter. He always felt the need to, introduce himself lol. I would say RJ, I know who you are! No young man, I didn't forget you then. And I won't forget you ever. You have left your memory on my heart. Rest well sweet boy.
