“ *Kim, we are so sorry for your loss, Ron was a rare find, he was genuine, honest and caring. He was so good to us this past summer making our new home a great family home and coming to the rescue with the sell on our old home. He will be truly missed by many. I was always amazed how he always had a smile on his face.*

“ I've known Ron since the 6th grade, always had a smile. Words can't express how sorry I am to hear of his passing, to his family, I will keep you in my prayers. I thought the world of this man, he is one of a few I considered a life long friend. May the lord guide you Kimberly in the passing days and months. I met Ron's son in the ER of all places, I was getting my thumb stitched up and I can't remember what he was getting stitched up, but his voice was like his dads and that's what caught my attention. My thoughts and prayers are with you all.
