“ To the entire Hreha family I send my condolences. I am just learning of Ronnie’s passing. I had an opportunity to get to know Ronnie while working at the Labor Temple. Ronnie’s quick wit and kindness allowed us to become fast friends. I admired his ability to fix anything. Ronnie was a good man and the world is just a little sadder place without him. “ I remember living in charmwood. I met Ron. We were crazy kids. I bought a guitar from him. I called him Ronaldrecktaloid. Lol. Good times I will never forget. I am still playing guitar and have worked on albums with many other musicians. I know you can hear me Ron. Flying high your soul will be. We will keep your spirit alive brother. Through memory and music. See you on the other side. My condolences to all of his family. RIP Ron.
