“ *The world has lost a great man. Ron was always kind and smiling, even when he was sick or in pain. He always had a kind word for everyone, and gave of himself totally. He was full of hope and always encouraged others. Although he has passed on, a part of him lives on in those who knew him. You will always be remembered as a strong, yet gentle soul. That smile and your laugh will always be in our memories. My condolences to the whole Kruk clan, may God be with you in a mighty way in your time of sorrow and loss. You are loved!*

RO

“ *Ron was a beautiful person inside and out! He always put others ahead of his own needs. Jeff, Matt and I are truly blessed to have known Ron for 14 years as a friend, neighbor and has an extended family member. We will miss the times sitting by the fire in the summer and just relaxing and catching up. The one memory that comes to mind is when we first moved into our home and I was outside in the backyard. And I thought there was a big animal of some sort in the woods, but no it was Ron taking a walk in the woods behind our house. I was like what the heck, what is he doing he scared the crap out of me. And for those who know me that's hard to do. I said to myself is it an animal (no) is it a sasquatch (no) it's our new neighbor walking in the woods. The physical world has lost a very special person, and as his family's heart is breaking. Remember Ron will always be with you, you may not be able to see him but he's there and he can hear you. He's still watching over you and you will be reunited one day, he'll be there waiting to welcome you all back into his arms. We love you Kathy, Brianna and the boys!!!*

With deepest sympathy,

Rosie, Jeff and Matthew
