“ My cousin "Ronnie" the only way I can remember him, was a quite guy who liked to laugh. As a young man he had a two door Black 50 Hudson when I was a kid and that was one HOT CAR. I can remember him working down the street in the shoe repair shop and I would spend time there when mom and I visited or stayed with Aunt Stella. He always treated me great. When he joined/drafted into the army he and I wrote a few letters back and forth. He was dedicated to his job and rose thru the ranks thru hard work and effort. Rest in peace Ronnie.

“ We have known Ron for about 40 yrs. since we moved next door to him in Warren. He was a great and helpful neighbor and we very quickly became friends with him. We always had fun when we went on vacations with him and then in the later years when we visited him in Florida. We will miss his yearly Christmas cards and updating us on what was going on in his life. He had a very happy life with Maureen, his companion, last 20 yrs. or so and we will all miss him a lot. Be at peace Ron.
