“ Derek, Malloreay, Trish, and family, Jerry and i are so sorry for your loss. Your dad was such a wonderful friend. I always use to tease your dad that he was more like my girlfriend after all the talking we use to do on the phone about our kids and cooking. Your dad called me last fall to tell me about some wonderful ribs he had cooked in the crock pot that Derek had given him the recipe for. He still was updating me last spring on new recipes he was cooking... Your dad was so proud of all his kids and whom they had become. I could always hear the smile in his voice when he talked about all of you. We were so lucky to have your dad in our life and that he was always there for us. I know he's in a better place, with no more suffering. Jerry and i will continue to keep all of you in our thoughts and prayers.

PS It was great seeing you this morning Derek. Brought alot of good memories back...

“ *Ron was a very special person who hide behind his rough demeanor, but was as tender at heart as any. He was great to work with over the many years always had your back. If he liked you HE LIKED YOU, if not he would still have your back. My heart goes out to the family. God bless all.*

Jackie, Kathy, Derek and Malloreay,

Your father has been a friend of mine for many many years. We talked on the phone at least once every 8 to 9 days. We talked a lot about our children and grandchilddren. Your father loved to tease me because I would get so upsdet. That would just make his day. He would try to help me with my computer but I would always go ahead of what he was trying to tell me and then he would holler at me to "put my hands on my lap" and leave them there. Gary and I will miss his phone calls and his laughter. He was a wonbderful person and the Class of 62 PHH will miss him. God Bless all of you.
