“ We did talk often and I miss that. Sometimes, if I didn't answer, you would leave a message saying, "It's just your sister." You were more than that.

I'm glad we were able to talk about old memories.

As the oldest sibling, also gone with you are those stories, memories and history only you knew of and you can no longer share with us.

I love you sister.

“ Rosalie was a great friend to my mom Norma Proctor, while they may not have seen each other often their phone calls were priceless to each other. As mom would say “she was my oldest friend”. Their friendship went back to the days they worked in the county home for the elderly for \$15.00 a week I’ve been told. Rosalie told me once that my mom would wash and stack the milk cans/dishes so fast and high they’d fall before she could dry them, she’d get so mad at her. Charlotte you were a wonderful daughter, don’t ever forget that you were appreciated. ❤️
