“ I was saddened to hear of the passing of my cousin, Rosemary. I have found memories of her through the years. When I was a kid, we spent a lot of Summer days at "The Lake". Rosemary was a kind soul with many challenges, yet a delight to talk to. I will miss her...her journey is complete.

“ I was glad to know Rosemary and be able to help her for several months before she moved to the nursing home. She was a special lady who touched hearts. She kept a good attitude in spite of her health difficulties. She loved Jesus and shared her faith with others. She enjoyed the simple things in life and loved her family well.

“ My heartfelt condolences to the entire Laffrey family. My Uncle George Beebe kept in contact with Rosemary up until his passing almost two years ago. I remember her as always being kind.

“ Hi Marlena, John and Brock—Rosemary and Thelma were my neighbors in my first home on Wilson Dr. We shared so many fun conversations and gardening together. My son Travis was the lucky recipient of their kindness. After I moved, Rosemary and I kept in touch on a regular basis, visiting her at home. With so many physical challenges, I have always admired her tenacity, faithfulness and determination. Rosemary will be missed.
