“ I will always miss my mother. I will admire her for her spunkiness and her independence. I moved her to Michigan 7 years ago and this was our time to bond. We traveled together and created memories that will last for the rest of my life. I know she is in a better place, an eternal home. I pray for her every day and always send my love. You are in my heart Mom!

“ I am so glad I got to meet you and spend time with you these last seven years. Your independent nature was something to admire, and you always made me laugh when you spent time with your grandsons. Thank you for the eggplant parmesan, the stories of New York, and of course pasta! We will miss you dearly.

Love you always and forever,

Megan
