“ *Russ is my brother-in-law, but we argued like brothers. He use to stay with Jeannie and I and he loved bologna sandwiches.Jeannie would always send him chewing tobacco when he was over seas. His friend Pete and him would watch John Wayne movies over and over. Take care of Jeannie for me brother, until we meet again.

“ Ed will always remember his favorite uncle as "Bubba" or "Unc"! Ed remembers him drinking creme de menthe and dancing all night, when he came home on leave, as a Navy See Bee. He was in building trades so he taught Ed some skills. Ed also remembers going to California to visit him for 3 weeks before he went back to Vietnam. He showed me many things, and I will miss him. He is now with my mum! She loved her brother dearly! R.I.P. Love ya lots, Eddie and Phyllis
