“ I was saddened to hear of your Mom’s passing. I worked with her at Pierce and Arbor Elementary. I was a Building Assistant known as “Mrs. R.” Your mom was a very caring teacher. If I had young children back then, I would certainly want her to be their teacher. I received many encouraging talks and advice from your mom. Praying for your family.

“ As fellow kindergarten teachers, Ruthmary and I had several occasions to meet during early childhood conferences and make-and-take workshops. We enjoyed sharing stories, methods, lesson ideas..... and laughing! We met again when she became a member of Alpha Delta Kappa, a local teachers' sorority. She'll be missed.
