“ *I was privileged to work with Sally at Mercy and then again at Port Huron hospitals. She was fun .compassionate, and made all of our work lives easier just by being who she was. I'm so very sorry that she has left us. She was very special and gave that to many many patients.*

“ Although Ken and I had not kept in touch over the years, Last year I had the pleasure to see Mrs. Sally and all the Dubay's again. Sally greeted me with open arm's and the sweetest hug. She had a way of bringing me to ease, and making feel completely comfortable. It is rare to experience that with people in this life. Sally just generated warmth, sweetness, and kindness. I realize how Blessed and lucky her family, and friend's are to have had her In there lives.
God Bless her sweet and loving beautiful soul.

“ Dear Louie and Sara... I am devastated for your family. I would take pages to write the memories. In all great friendships there are good and bad times. We definitely had more good memories and always made up if we had problems. And as our life went different ways, sometimes not seeing each other for awhile, when we did meet again, it way as if there was never a gap in time. We would just start talking where we left off..... and laugh! I will miss my dear cousin and friend, and I feel sad because you will all miss her more. You are both in my thoughts Shelley

I absolutely love this picture! Sally was beautiful inside and out. I will always remember our talks. We clicked the first time we met. I will always have a place in my heart for her. Rest in Peace. Linda Wright

Sally and I worked together at the hospital for years and I will never forget the fun we had together! She was the best! I also remember her letting my dog come over and we explored her property together. When we returned to the house my dog decided to visit the horses and proceeded to roll around in the horse manure! I will never forget Sally's laughter over that!! Rest in peace my old friend!
