“ *~~ Sandra Murphy was a woman that I loved. She required little but loved a lot. It was the simple things that made her happy. Visits from her children & her grandchildren, a good meal, a good movie or just a bright sunny day. Perky is my mom, my best friend, my confidante & the one for whom I was fortunate enough to share a birthday with. We will forever be best friends. A piece of my heart will forever be broken. I miss my mom so much and truly cannot wait until I get to see her again in heaven. Because there I know she will be patiently waiting for me. God bless her and her beautiful soul. ~~*

Perky will be missed. She loved her family. We worked together years at Casual Corner clothing store at Birchwood mall. She enjoyed helping customers and was truly a blessing to anyone she spent time with. I pray strength for all the family who will miss this lovely lady very much.
