“ Sandy you have always been one of my favorite cousins and I really miss our conversations. I will never forget when I went out to Afton, Wyoming, on vacation and spent time with you and Mickey and the boys. It was nice to know that you were always there to vent to when being out numbered. I did have a fire for you and offered medicine for your Walk to the other side. I hope the Red Butterflies showed you the best path. We just had your nephew Jeff's service today so he has joined you along with his dad, Uncle, grandma and great Gram and of course great uncle too. Please give everyone a hug from me and I will look forward to seeing you again one day to give you a hug myself. I love you. <3

“ I love and miss you SO MUCH momma. Your witty comebacks, your singing and dancing, your jokes, your cooking. I'm gonna miss shopping with you, hugging you, telling you everything. I wish you were still here, I wish there was a telephone in heaven so I could call you and make sure you're okay. My heart is broken and the hurt in my soul is unbearable. I love you, I love you, I love you.
