

Sandra R. Ratliff

September 28, 1969 - December 17, 2021

Sandra Rochel Ratliff, aka “Sam” was peacefully called home to be with our Lord on Friday December 17, 2021. She was born on September 28, 1969 to the late Margaret “Jean” Ratliff and the late Johnny McCoy. Sandra was the middle daughter of three.

Sandra was educated in the New Haven school system and then went on to further her education at Macomb Community College, where she earned an associate degree in Business and Human Resource Management. Sandra held numerous Human Resource positions in her career. She began her journey with Nationwide Fence, where she was an office manager and a part of the Human Resource department. Her most recent held position was at Superior Ambulance, where she held the title of Human Resource Director. During her time at Superior Ambulance, Sandra spear headed numerous projects and was most noted for her involvement with the Air Med Helicopter Rescue and Transport team. Sandra was a committed and dedicated employee who found joy in helping others and changing lives. She worked right up until she became ill and was forced to resign.

Sandra dedicated her life to the Lord at an early age. She was a member of Greater New Hope Missionary Baptist Church where she served on the nurse’s guild and helped in any area in which she was called to serve. Sandra never met a stranger and anyone who met her loved her. Sandra had a heart of gold, with a smile which lit up the room. She was outgoing and willing to help anyone she came into contact with. Sandra shared her love for life and

talents with the world. Sandra loved her family, shopping, cooking, and trying out new recipes. She cherished her nephews and had a special bond with her niece, Sydney. Sandra's pride and joy was her baby boy "Wuan". The mention of his name would brighten her day no matter what was going on in her life at the time. She thought the world of him and was proud of his accomplishments. She enjoyed spending time with him whether it be going out to eat, watching him play basketball or just having heart felt chats.

Sandra leaves to cherish in her loving memory her son, Jawuan Montel Doggett, her two sisters, Karen (Charles) Ratliff of New Haven, and Nicole (Louis) Brown of Mount Clemens, her nephews; DeMarco Ratliff, Darius Ratliff, and her niece, Sydney Brown, her Godson, Diallo Champion, her dog, Ruby and a host of aunts, cousins, family and friends who all loved her dearly.

“ Sandra was a truly a beautiful special person to me, we meant in 2nd grade and became best friends we never lost contact with each other, she was always there for me when I needed a shoulder to cry on or just talk. I will always remember the great memories of the times we spent together from the beginning to the end. If it was not for her I would not be with the special man(Rick) in my life right now. Rick became close to her, Sandra was like a sister to him. We will miss you so much. I will never forget the final words you said to me. Which was very special. We will meet again Girl. I love you so much you don't have to suffer anymore you r happy now. To Wuan, Karen, Nikki, me and Rick will always be there for guys. We love you guys.

“ Sandra was the first person I met in my subdivision and that was 20 years ago. Sandra I hate to see you go and I hated to see you suffer. You fought a good fight until your mother and Auntie Toe said come on home with them and God said your job is done. To the family you guys have my deepest sympathy. I know you are heart broken and that's OK. No more phone calls from the hospital, no more sleepless nights and no more making a tough decision on what you guys should do. Juwan, your mom is so proud of the man you have become. Keep doing what your doing!!
RIP Sandra 🥹💔

“ *The memory I have with Sandra was that she was always kind, friendly, an an outgoing personality. We used to work together at the Lenox Twp. Library when they had the summer job program back around 1984 or 85 not sure what year. I will always remember the conversations we had after church service whether it was about our jobs to how God has truly blessed us in everything we do. To Karen, Nikki and the rest of the family, again my deepest sympathy and condolences and May God give you all the comfort and peace at this time,*
