“ Lisa and family, we send our love and pray for the deep places of hurt to be comforted. Scott was such an example of love, service and humility. What a beautiful legacy he leaves of kindness and compassion. We all had so much fun together those years at the Barnes and hold those times of leaning in and the fellowship dearly close our hearts. You two were always a great example to us stumbling along in marriage and family. Thank you for the patience, kindness and laughter. Scott was so crazy to come and do Motocross camp with us! He had such an outstanding attitude, eager, fun, humble...he was a strong example to that group of teen boys! There are so many incredible things to describe Scott, but the most important was his love for the Lord and his family and that was evident in his life. We are so sorry and take comfort that he is now in the perfect place waiting on you all. Love Tony and Chris Dexter

“ *His love of God, family, and his country was evident in everything he did. His kindness and humor, his ability to fix or build anything (and would be the first one to fix or build it for anyone who needed a hand) are just a few of the reasons I feel so blessed to have called Scott my friend and brother- in-law for over 36 years. He will be missed indeed, until we meet again ❤️*
