“ *Scott and I shared the same social circles. We weren't close friends, so I cant pretend I knew him as well as most of you, but his passing in none-the-less heartbreaking. My heart goes out to everyone, especially the Warsinske family.*

I will never forget the night I met him - he was wearing the most absurd costume at a barn party. Maybe some of you remember. He really had a knack to make people laugh. "While we are mourning the loss of our friend, others are rejoicing to meet him behind the veil." -John Taylor
