“ I'm sorry to learn of Sam's passing. My condolences to the many members of Sam's family. I worked with Sam in Tacom's Maintenance Directorate for several years and remember Kathy as well. I greatly appreciated Sam's knowledge, advice and the times we shared a laugh. He will be missed.

“ My father was a great man, he had a big heart, awesome sense of humor and I am saddened to hear of his passing. It takes a strong man to raise someone else's children, I was 4, my brother Jim (Collins) was 5 and my sister Celeste (Ribant) was 6 when he came into our lives. We saw the world because of him. My dad is who I went to for advice and wisdom-- which he shared with me well into my 30's and I am truly grateful. I will always remember him fixing or making something, I sat by his side often as a little girl wanting to learn. I am lucky to have had him in my life and was very proud to call him dad and father.

Love you Dad, you will truly be missed! XO Lisa (Alece Trsar)
