“ I will miss you so much! You were much more than just a friend to me. You were another Mother to me! :) I have many wonderful memories of all the times we all shared together. You not only had a heart like an Angel, you also had the voice of a Angel :) you touched everyone's heart that met you and welcome all as they were family. Until we see each other again, God Bless!! “ You were a mom to everyone and I will miss you very much. You had a voice like an angel when you would sing. My favorite song you sang was "At Last". It would give me goose bumps when ever you sang it. You are with your daughters now and God will take good care of you all. No more pain or tears now. You were a strong woman for what you endured. And you kept your children together no matter what. I will see you again when I get to heaven. God Bless you Sharon, I love you. Love, Ronda Pedigo
