Sharon A. Chapman, age 79, of Chesterfield Township, passed away on August 12, 2024. She was born on May 26, 1945, in Windsor, Ontario, to the late Joseph and Doris Grenon. She married Richard Chapman, on August 17, 1963, in Warren, Michigan.

To my friend and mother: Your love and kindness have touched so many people over the years, but nothing can replace the love you shared with your sons. When we were happy, you shared our joy. When we were down, you lifted us up. As we grew older and went our separate ways, there was one natural force that always brought us together, family. There are many facets in a family, but only one heart, and that was you (mom). With dad at her side, they have both helped us thru some tough times as well as the laughter and great times thru the years. The times we reflected on with one another and the support given to them in their golden years being with mom and dad just to share a meal and a margarita!! We will always cherish the wonderful memories filled with fun games, good food, and lots of laughs when we are together. Mom has been a pillar for us all, always giving us the love & support as well as the discipline we all needed at times. We miss you and we love you, but even more than that we hear you and feel you -for you are the heart of us all. Forever love your sons!

Remember mom as she was in the pictures that are shared by dad.

She was an extremely strong wife, mother, sister, friend to everyone she met. Sharing the truth about Jehovah whenever she could and to all she could. She

is known for her amazing love, strength, courage and faithfulness to the very end. We love you and look forward to seeing you again soon.

“ Sharon was always a kind and loving person. She worked hard in the preaching work with me, I could count on her to join me in the phone ministry at least once a week. I will miss her a lot until the resurrection in Gods kingdom. She always thought of others and her family.
