“ It was such a blessing to have the opportunity to get to know Sharon through our mutual involvement with the Richmond Community Choir. We joined at the same time, and stood right next to one another our first year, way in the back row, unable to see a thing, but we had fun!. In our second year we moved our seats around some, so that maybe we could see our director. I must say I was not as vertically challenged as Sharon, but it was close! We would talk of our journey's through life when we had a chance, and shared some of our ups and downs. I know Sharon gave it one heck of a shot, fighting till the end, because that's who she was. I feel blessed to have known her, and to call her my friend. May you rest easy in Heaven until we all meet again, dear Sharon. God gained another angel for his choir...can't wait to hear your sing!

“ I’m originally from Richmond. My maiden name is Higgins. I move to the Tawas area in early 90’s. I started dating a local guy who asked me to a graduation. When we got there I was very surprised that it was for Sharon’s son. It was so great to see people from my home town. Sharon was always a character and when she moved back to Richmond we still kept in touch with Facebook. I’m gonna miss her and the Christmas cards she always sent us. Gods speed my friend. God got a very special angel.
Prayers to the family from Greg and Tina Michalski.
