“ *At Trinity Lutheran School in Port Huron, MI, we shared five years together. Sharon was a year older than me. We did share the same classrooms/teachers for a couple of years. There isn't a particular "moment" memory standing out that I shared with Sharon, what I do have is memories of a beautiful, kind, happy, funny, laughing a lot person. I don't ever recall her not smiling. Must also add.....I have always remembered and loved her long beautiful hair. She is a person in my life that has only left happy feelings when I think of her. Being able to reconnect with her on FB brought me joy. You will be missed Sharon.*
