“ *I was so saddened when Ken told me of Sharon Lee's passing. When I look around my house there are reminders of Sharon everywhere, from the pictures on my wall, to my beautiful curtains that she handmade. Sharon was such a talented and sweet lady. I feel so privileged to have known her. I am sending my condolences and prayers to her family. 🙏*

“ Today as i was walking outside I remembered you! I was thinking your days of walking on this earth are over. You put a mark on my life and left an impression that will not be forgotten. Kayson was playing with the toy you brought on Christmas on the way to your house on your last day alive. 🌲 You picked the best toys! You made the holidays so awesome. It won't be the same without you. As the wind blew today outside I remembered you. I pictured you going to little shops looking for design stuff finding the best deals. Thanks for all you taught me in this life. I wish I had more time with you. ❤️

Rebecca Drescher-Carrier - May 16, 2023 at 05:29 PM

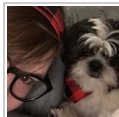

“ This was such a shock to all. Sharon was a long time friend, we spent my 18th birthday in Florida. I remember in high school she had on the cutest winter coat. I asked about it and she told me she had sewn it. Even then she was an excellent seamstress. Besides her artistic talent, she was a wonderful person. Ken, I hope your memories bring you comfort. Thinking of you, and hope you feel the love of many who are also mourning.
