“ I was lucky enough to be an aide on Shaylynn's school bus, for the 2010-2011 school year. What a doll! We all loved Shaylynn, and her infectious smile. Shaylynn loved going over bumps, she would giggle on the good ones :-). Shaylynn's loved ones are in my thoughts and prayers. Linnie

“ Although I tried not to have favorite students in my work as a Speech/Language Pathologist, I had to admit to her teachers that Shaylynn was special to me. She demonstrated the determination of a mountain climber while trying to communicate. We sang songs and laughed together when she had the strength to do so. And that smile was more precious than gold!

Soar with your wings on high sweet angle. Thank you for teaching us to be better people.

My deepest sympathy to your family and gratitude for sharing you with the Woodland family.

*Love & Prayers,
