“ Please accept our condolences and know you are in our thoughts and prayers. Although it is still difficult to accept that Aunt Shirley is no longer with us, we are relieved to know that she is no longer suffering and has been reunited with her husband, parents, brothers and sister. We now have one more person looking down and protecting us from heaven.

*There is the following saying
As long as we remember a person, they're not really gone. Their thoughts, their feelings, their memories, they become a part of us.*

I have years of wonderful memories of Aunt Shirley which I will cherish for the rest of my life which will keep her memory alive.

*Love Always
