“ Judy, Kathy and family -- I am so sorry for your loss and I know what you're going through. I wish I could be there, in person, to be there for you.... But, I am there for you in my heart and know you will get through this by remembering all the great memories you have of both your Mom & Dad and knowing they are back together again. It is hardest for those of us who are left behind. But knowing they are at peace is truly a blessing. They will always be with us in our hearts and memories....

*I was sad to hear the news of your father passing. My Mom was very fond of him. She commented often on how he would make her laugh. I regret never having had the opportunity to have met him.
