“ Dear Sirena,

I can't believe that you are gone so soon.

As I'm sitting here writing this I'm remembering all the fun we used to have as kids and as adults especially the 4 months we got to spent together.

It was nice to see that even though our lives went down different paths and we didn't see each other that often that we still had a bond between us.

I'm having trouble finding the words to let you know how much I love you and will miss you.

You will always be in my heart and I will always be glad that you are my sister.

I hope you can now find the peace you were looking for.

Love,

Lisa
