“ *Sonya was love by so many including family that was not listed. She has her Aunt Mickie (Ernie), Aunt Jenny, including her cousins Dena, Don, Travis, Chad, and many other family members that where not named. She loved all of her family and friends and she will be deeply missed. I will never forget all the things we did when we were growing up and I was lucky to see and share time with you. I got to see your children grow up and start their families. I will try hard to watch over them all. I know you will never be far. God bless you and all that knew you.* ”

“ My heartfelt sympathy for the family. Sonya was a truly amazing woman. I knew that from the moment I met her back when she started tax school with her best friend Julie recording a class and Sonya bringing in her newborn infant child so she wouldn't miss a day. All the trips once a week sometimes twice downriver for supervisor meetings and lunch after, we're in her words, the best of times. I am lucky to have known her and blessed to know we will meet up again one day. I am very sorry for your loss, Sonya will be missed.
