

## Stephanie L. Daniels

July 19, 1986 - July 23, 2023

Stephanie Lynn Daniels was a loving and caring wife, daughter, granddaughter, sister, aunt, and friend, born on July 19, 1986. She left this world suddenly on July 23, 2023, at the age of 37. Her battle with medical issues in recent months showed her courage in facing life challenges while continuing to reach out and help others. That's just how she rolled. Now she's with Jesus in a new glorified body. She gave her life to Christ at an early age and recommitted her life to the Lord several years ago.

Stephanie's quick wit and humor brought laughter to so many. Time and time again we've heard she made me laugh so hard I almost pee'd my pants. She was a people person and would literally give you the shirt off her back. She would put herself on the back burner to attend to your needs instead of her own. She will be missed by so many people.

The closeness Stephanie shared with both of her brothers could readily be observed by how amazing of an aunt she was. Stephanie loved her nieces and nephews passionately. She dedicated much of her spare time spoiling them and doting on them.

For the last year she embarked on a new career as a legal medical transcriptionist. Not an easy job but she was up to the task because she was super intelligent and enjoyed being mentally challenged. This allowed her to work from home as an independent contractor. Prior to this she worked as an assistant manager for National Coney Island for years. She loved that job

because she met new people all the time. She was truly missed when she left and customers and employees continued to keep in touch with her.

Stephanie is survived by her parents, David Daniels and Rachael Daniels, husband, Garrett Roberts, brothers; Christopher and Thomas Daniels; nephews Thomas Jr, and Conner Daniels; nieces Alexis, Savannah, Hazel, and Frankie Daniels. Her mother and father in-law Sheri and Mitch Roberts. Her grandparents Thomas and Martha Hibbert.
