

## Stephanie M. Leverenz

September 6, 1984 - March 30, 2023

With great sadness the family of Stephanie Mae Leverenz announces her passing on Thursday March 30, 2023 at 38 years of age. Lovingly remembered by her children Lexi, 14 of Applegate and Ari, 10 of Port Huron, her father, Gerald Leverenz of Port Huron, sisters; Christina Leverenz of Kimball and Sabrina Leverenz of Port Huron, along with many neices, nephews, Aunts, Uncles, cousins and friends.

Stephanie came into this world with her own rules and that was how she lived her life. Her infectious smile belied the mischievous personality. She was a traveler with a love for the water and artwork; yet deeper love for her girls. No matter her situation, always made time for others- never missing the party; even if she was late!

Please join us in her Celebration of Life on Saturday, April 29, 2023 at the Lions Hall in Croswell (17 Wells Street) at 3:00pm. BYOB. Please consider donations for unexpected end of life expenses.

Arrangements are in care of Jowett Funeral Home - Port Huron.
