“ *Shocked and sad to hear of the passing of Steven Simpson. Although Steven remarried after his first marriage, he was a link to our family via his beautiful daughters Samantha Novella and Erika Janie. God claims all of his children and we as humans should as well. Be blessed!* ”

“ We are shocked and saddened to hear about the death of Coach Simpson. I met Steve in 2003 when he coached my son in the Cagers Basketball League. I was fortunate several years later when he chose my other son as his first pick in the draft, because he liked to coach kids from the same family. We were on his Spurs team in 2013 when he finally won a trophy (3rd place overall, 9-4 record). It was such an exciting season! He was a great coach, always smiling and making it fun for the kids (who can forget Simon Says!). He often had former players as his assistant coaches, and he took the time to come to several of my sons high school basketball games. He truly cared about his players. I heard this would have been his 20th year of coaching. Thanks for the memories, Coach, we will never forget you! Our thoughts and prayers are with the family.

My Dearest Debi and entire family, I'm so sorry for the loss of your beloved Steve. I only saw and talked with Steve 6-8 times at work with Debi. Steve always had such a great friendly persona that made me feel good. He always appeared happy with a big friendly smile. I feel he touched everyone in the same way. I know you will miss him dearly. My love and prayers are with you. Love to all. Marlene
