KM

“ I first met Steve way back around 1976. We hit it off right away and shared many adventures over the next 25 years of boating, camping, fishing hunting and just hanging out. I lost touch with Steve about 12 years ago and have tried to get back in touch ever since to no avail. I was deeply saddened to hear of Steves passing. I will hold on to those great memories for the rest of my days. Rest In Peace my friend. Love you, Kevin
