“ *Happy Birthday Susan ~ May your Spirit rejoice in the beauty that is around you. I send you this wish, that your Spirit be free from torment and pain~ that you find the happiness you were deprived from the last year's of your life there in heaven. A Rose bush is planted in our gardens for you and each time it blooms it will bring beauty into the world in honor of you. I'm sorry we could not do more to protect you, know we tried. I wish you to be a free Spirit and my heart will keep you always.*
