“ I was going to send my dear friend a Christmas card and looked her up first to see if she was still here and she was not. She is the 2nd I have lost. Uggggg She is one of the most memorable people I have known in my life. I almost never see her but when I do the years we missed didn't matter. It was like yesterday. She was an awesome presence that I worked with at the Skill Center. I loved her like a sister and I have the most amazing memories she left me with. HEAVEN will not be the same with her but will be so enhanced and forever changed. I will see you again when I get there my friend. Love Love Love U

“ *I will never forget my friend Susan. She was a brilliant force in life-- so intelligent, fun-loving, and caring for everyone around her. Even when she was suffering in her last years, she moved beyond her pain and lifted everyone in her path. I remember when she came to my mother's funeral when she herself was on a walker and in obvious pain-- but she still came to help us all.*

I am sure that God is with her.

My condolences to all her family and many friends.

“ And ye now therefore have sorrow: but I will see you again, and your heart shall rejoice, and your joy no man taketh from you. John 16:22

I have fought a good fight, I have finished [my] course, I have kept the faith:

2 Timothy 4:7

“Jesus said unto her, I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall he live.

And whosoever liveth and believeth in me shall never die.”

John 11:25-26

Dear Family,

"I have each of you in my thoughts and prayers"
