“ Absolutely loved working with Susie!!!!!! Swear I saved her from getting in trouble on more than one occasion when she would say what she was thinking out loud and we would laugh. She had a story everyday. Never a dull moment. Her light is out much too soon but not our thoughts and memories. Love you!!!!

“ I knew Sue most of my life. She and her family lived across the street from my childhood home. I remember when Little Lenny and Pauly were born. She and her family helped me through some of the most difficult times as a child. Sue and her mother could make you laugh in the darkest of times. I regret the time we lost but will forever be grateful for the tome we had. I know she's resting being with Uncle Len Aunt Dell Lenny and Kenny Jr. Thoughts of you will forever bring me smiles. Thank you Sue.

“ You helped put food in our stomachs and lights on in our house any time we needed it as children. You were so kind and had a bleeding heart. I wish I got the chance to really talk to you and thank you for that as an adult.
