“*I first met Susie in July of 1974 at St Joseph Hospital in Mt Clemens. She was there for the birth of her daughter Paige and I was there for the birth of my daughter Jennifer. We kept in contact for a few years and somehow lost each other... A few months ago, I reconnected with April when she found me on Facebook. I remember what a wonderful person Susie was and how I wish we hadn't lost contact. Although I will be unable to attend the service tomorrow, I will keep the family in my thoughts and prayers, as they celebrate Susie's life.*

“ I am sadden to hear of the loss of Susan, we worked together, for a while. I used to babysit the kids when they were younger and i decorated the hall when Sue and Michael got married. I will miss her always. Sue was a great person, and i know she will brighten the hours in heaven. May God be with the family at this time, giving comfort. God Bless you all.

“ *April -- Please know you and your family are in my thoughts and prayers at this time. Your mom was a big part of mine, Michele, Laurie and Pam's school years. She was the "cool" mom and I will forever remember her that way. And please always remember we are just a phone call away if you ever need anything, now or in the future. XOXOX*
