“ I remember many fun dinners at Sue’s house, watching softball games with her and our parents, and especially basket weaving poolside where we would jump in the pool to get the reeds that were soaking there. She was always so much fun to be around! Carla

“ There are so many great things I could say about Sue, but the most important thing would be that if you were lucky and she loved you, then there wasn't anything she wouldn't do for you. Joe and I were two of those lucky people. It is something we will forever cherish and Sue will be someone we forever carry in our hearts. Sue, you were ready for a well deserved rest but your passing hurts and will for awhile. I am thankful and blessed for having known you. Rest in Peace. I promise that as long as I can your planters will have purple petunias and a geranium hanging by front door. Much love Izzy....

“ I have known Aunt Sue for 56 years. I have many wonderful memories. I lived with them at Strawberry lake for the 2nd half of 8th grade. First year of bussing in Detroit. I got pulled into the boy's bathroom by 4 guys. I punched the biggest one in the face and cut his cheek with my ring. Ran to the office. Told them "call my dad now"...I was at Aunt Sue's that Sunday. Sue loved her peanut butter and she would ask me to hide it (so she wouldn't eat it in the middle of the night)...But being who she was...she'd come in my room and say "I have to make lunches, where's the peanut butter?" And I would say "it under the bed" or "In my closet " rarely did we have peanut butter for lunch. She taught me a lot and I will miss her. Love you
