“ Mom words can not express how much I will miss you. You were such a great person, and I could not have asked for a better mother. You did everything you could to help others, to make sure everybody was happy. You were so caring and loving. Your beautiful smile is one of a kind. You were a very hard worker, I would have to tell you to stop and relax. You are the strongest woman I know. You put up a great battle against cancer for 6 months mom, you tried your best and god wanted you to be with him and to have peace in Heaven, and I will see you again one day. I pray that god can give our family the strength to help us through this hard time, rest in peace angel I love you so much! Love, Brittany

*Susan was a wonderful sister, a good mother, and a hard worker. Everything Brittany said about her was so true. She loved her children and they loved her back. I will miss her, but I will see her again one day. God bless Al who took such good care of Susan during her illness and her children who were so loving to her. I will miss her more than words can say.*
