“ my nana was the most incredible woman you would’ve ever met. she was strong, caring, funny, and beautiful inside and out. every time I saw her I’d say, “nana, what are you 16 now?” it’d never go past 21. she was my role model and best friend all my life. she taught me how to save money, how to spend money, and how to live life to the fullest. she only ever strived to make someone laugh, or to lend a helping hand. she always tried to embarrass me at the mall by farting in the aisles with a lot of people and saying, “jamie!! you’re so gross!!” she never failed at being there to pick up the phone whenever I called. she was the best friend everyone wanted, and everyone needed. I love you nana. I’ll be with you one day so we can finally party together.

Tim, I am so sorry to hear of Susie's passing. I worked with her for a few years at Citizen's and loved her dearly! You guys came to Florida and stopped in to see Pat and I. That was many years ago. I so wish we would have kept in touch. She was a wonderful woman. Sue Green Florida

Susie was the very first person I met when I started working at Citizens Federal Savings Bank almost 30 years ago and she gave me a ride to and from work for a few weeks until I got a car. We worked together for a few years. Her and her Pepsi all day long! I will never forget you, Susie!
