“ *Thinking of my Mother*

Today makes a month since she has been gone and not a day has gone by that i havent cried. I can truly say everything inside of me has been put to the test lately. She was my bestfriend, my arguing buddy, my partner in crime, my protector, my back up, my shopping buddy, my cooking instructor(she was a great cook), the only person i completely trusted to watch my Noah, the person i called when i was scared, the person i called when i was happy, the person to always give me the best advice, and the only person besides Noah to show me unconditional love. I was blessed to have such an amazing mother and the worlds best grandmother to my son. So many memories with her planning out our day, almost everyday. Many memories ill share but some ill keep tucked away in my heart to cherish forever. I am forever changed without her. Words cant even begin to describe how much i love and miss her. 💔 I love you Mommy💕💕💕
